衷心感谢

As a research-oriented, interdisciplinary liberal arts and sciences university located in China, our primary mission is to provide the highest quality undergraduate and graduate education and enable our students to lead purposeful and productive lives. The core of our educational offering is a four-year undergraduate degree program featuring an integrated and multi-disciplinary curriculum, with a strong Chinese, American, and global focus. In a culture of academic excellence and freedom, we prepare students for professional and academic leadership roles across the globe.

As a highly selective Sino-U.S. joint-venture university, we promote innovative scholarship in service to society. We embrace the integration of global, national, and local traditions of thought, promoting cross-cultural understanding and cross-border collaborations.
