Certificate of Appreciation

is hereby presented to

衷心感谢

Students of the same gender are assigned roommates using a complex computer process, designed to consider student preferences as provided on the suite assignment form before arrival. If students mutually confirm they wish to live together they will be assigned as roommates. If not all students mutually confirm, they will be matched based on compatibility of answers from the "Lifestyle Preferences" section (e.g., smoking, sleeping, studying habits, etc.) of their Housing Application.
