Bio:
Dr. Fürst received her PhD degree at the Faculty of Law, University of Amsterdam and her MA degree at the Center for Environment and Development at the University of Oslo. She has a BA in Sinology from Beijing Language and Culture University.

Her research generally looks at environmental regulation and justice in China. In her first project, which culminated in her MA thesis, she focused on pollution victims and their access to justice. This thesis, entitled "Access to Justice in Environmental Disputes: Opportunities and Obstacles for Chinese Pollution Victims" sought to identify various structural, political, financial, technical, local and
