Duke Kunshan University*

Speaker: Prof Gari Clifford

Prof Gari Clifford is the founding Director of the Centre for Affordable Healthcare Technology at Kellogg College and an Honorary Professor in the Dept of Neuroscience at the University of Oxford

Duke Kunshan University

Abstract:

昆山杜克大学

Within a short span of time, mobile phones and low cost peripherals are likely to provide an enormous opportunity to deliver affordable diagnostics and decision support to the majority of the world's poor. There are also significant barriers and pitfalls
