

## **CURRICULUM VITAE**

[Updated in February, 2018]

**ABDULLAH, Abu S.**  
MB.BS (MD), MPH., PhD., FFPH (UK)

### **Contact Information**

P.O. Box 288  
Watertown, MA 02471  
USA

E.Mail: (1) [Abu.Abdullah@Duke.Edu](mailto:Abu.Abdullah@Duke.Edu)  
(2) [Abu.S.Abdullah@Gmail.Com](mailto:Abu.S.Abdullah@Gmail.Com)

### **Education/professional qualifications**

FFPHM Fellow of the Faculty of Public Health Medicine, Royal Colleges of Physicians, UK (2006)  
FHKAM Fellow of the Hong Kong Academy of Medicine, Hong Kong (2004)  
FHKCCM Fellow of the Hong Kong College of Community Medicine, Hong Kong (2004)  
DFPM Diplomate Member of the Faculty of Public Health Medicine, Royal Colleges of Physicians, UK (2001)  
Ph.D. (Public Health/Community Medicine), The University of Hong Kong, Hong Kong (1998)  
M.P.H (Epidemiology). School of Public Health, Guangxi Medical University, China (2002).  
MB,BS. (MD) (Bachelor of Medicine and Surgery) Guangxi Medical University, Guangxi, China (1992)

### **Professional Training and Courses**

1. Public Health Specialist Trainee, Faculty of Public Health at the Royal College of Physicians, London, United Kingdom (2001-2004).
2. Public Health Specialist Trainee, Hong Kong Academy of Medicine, Hong Kong (2001-2004).
3. Visiting scholar, National Center for HIV, STD and TB Prevention, United States Centres for Disease Control and Prevention (CDC), Atlanta, USA (February 22 ~ April 24, 2002).
4. Smoking Cessation Training Program, Barts and The London School of Medicine and Dentistry, Queen Mary University of London, UK. (April 5-10, 2000).
5. Tobacco Dependency Treatment Training Program, Mayo Clinic Nicotine Dependence Center, Rochester, Minnesota, USA. (May 15-22, 1999).
6. Research Fellow, Guangxi Medical University Hospital, Guangxi, PR China, (Sept. '93~April '94).
7. Intern Medical Officer, Sir Salimullah Medical College & Mitford Hospital, Dhaka, Bangladesh. (Aug 1992 to Aug 1993).
8. Internship Training, Guangxi Medical University Hospital, Guangxi, PR China. (July 1991 to July 1992).

### **Professional Experiences**

*Professor of Global Health*, Duke Global Health Institute, Duke University and Duke Kunshan University (July 2014 ~ to date).

Associate Research Professor of Medicine, Department of Medicine, Boston University School of Medicine, Boston Medical Center (August 2010 ~ to date). (Adjunct appointment)

*International Distinguished Professor of Global Health (Adjunct)*, School of Public Health, Guangxi Medical University, China (August 2010- to date).

*Associate Professor of Epidemiology*, School of Public Health, Florida International University (August 2011 to July 2012).

*International consultant (Technical advisor to Deputy Health Minister)*, Ministry of Health (Preventive Medicine Directorate), the Kingdom of Saudi Arabia (October 2010 – June 2011).

*Associate Professor*, Department of International Health, Boston University School of Public Health, Boston (July 2005-August 2010).

*Assistant Professor (Research)*, Department of Community Medicine and School of Public Health, The University of Hong Kong, Hong Kong (May 2001 ~ May 2005).

*Director*, Smoking Cessation Health Centre, Hong Kong Council on Smoking and Health, Hong Kong SAR. (August 2000 to December 2004)

*Lecturer*, Department of Community Medicine and School of Public Health, The University of Hong Kong, Hong Kong (Sept 1995~April 2001).

*Medical Coordinator*, International SOS Assistance (HK) Limited, Hong Kong (April 1994~ August 1995).

*Research Scholar*, Guangxi Medical University Hospital, China (1993~1994)

*Intern Medical Officer*, Sir Salimullah Medical College & Mitford Hospital, Dhaka, Bangladesh. (August 1992~Aug.1993)

### **Research Interests**

1. Prevention and control of chronic non-communicable diseases (NCDs) in low and middle income countries (LMICs) by addressing major NCD risk factors such as tobacco use, poor diet and physical inactivity, and by improving adherence to treatment
2. Health promotion and health education research among the underserved in the United States and in low and middle income countries.
3. Health Systems and Policy Research
4. Global Health and Development

### **Teaching Experience**

#### ***Main teaching (graduate level)***

1. Non-Communicable Disease Prevention and Control: a health systems approach
2. Global Health Research Methods: Design and Practice
3. Qualitative Research Methods in Global Health
4. Introduction to Global Health: Health in Low and Middle Income Countries
5. Design, Monitoring and Evaluation of Global Health Programs
6. Global Health Research Seminars

#### ***Undergraduate level teaching:***

1. Research Methods in Global Health (HS401K)

#### ***Supervision (including joint supervision) of MPH/PhD/Dr.PH students***

2-3 Master of Medical Sciences students each year (2001-2004); 8-10 MPH students each year during 2005-2010; 4-5 MSc Global Health students (2014- to date); 5 doctoral students (3 graduated), 1 Dr.PH student.

### **Honors/Awards/Activities**

- 2010 Recipient of the International Distinguished Professorship Award, Outstanding Overseas Talent Recruitment Program in Chinese Universities (through Guangxi Medical University).
- 2006 Recipient of the 2<sup>nd</sup> Asian Family Health Research Award, Asian Family Health Research Foundation and Paknam Company, Tehran, Iran (Jan 14, 2006). This prestigious award is provided to pioneer researchers on family health in Asia and Middle East.
- 2006 Outstanding Health Promotion Project Award. Awarded by the Health, Welfare and Food Bureau of the Government of the Hong Kong and Healthcare and Promotion Fund Committee (22 May 2006).
- 2003 Global Research Network Award, Society for Research on Nicotine and Tobacco, USA (October 2003).
- 2002 Biographical record in the Who's Who in the World for outstanding work achievements. Who's Who in the world, 19<sup>th</sup> Edition, USA (2002).
- 1998 Outstanding AIDS Workers Recognition Scheme nomination, The Hong Kong Council of Social Service, Hong Kong SAR.
- 1997 Recipient of 'Wang Gung Wu Scholarship to support Ph.D. studies at the University of Hong Kong, Hong Kong SAR.
- 1992 Best Performance Award by the Guangxi Medical University in 1992 upon graduation and provided a scholarship offering higher degree studies (Master of Public Health).
- 1986 Chinese Government Scholarship for continuing undergraduate studies at the Guangxi Medical University, China.
- 1986 Bangladesh-China Friendship Scholarship for studies in "Diploma in Chinese Language" at the Beijing Language Institute.

### **Committees/Panels served/Honorary appointments**

#### ***National (United States)***

1. Member Faculty, Medical Informatics Post-doctoral Fellowship Program, VA Boston Healthcare Systems & Boston Medical Center (2017 ~)
2. Member, American Academy of Pediatrics (AAP) Julius B. Richmond Center of Excellence (2012 ~)
3. Member, Faculty Senate Committee, Duke Kunshan University (2015-2018)
4. Member, Graduate Admission Committee, Duke Kunshan University (2016 ~)
5. Member, Institutional Review Board (IRB), Duke Kunshan University (2017 ~)
6. Member, Doctoral dissertation committee, School of Public Health, Florida International University, Miami, Florida (2011-2012)
7. Member, Doctoral dissertation committee, Boston University School of Public Health, Boston (2008-2010)
8. Member, *Admission Committee* of the Boston University School of Public Health, Boston (2005~2009)
9. Member, Working Group on *Cancer Control and Population Science*, Boston University School of Public Health, Boston, MA, USA (2006 ~2010).
10. Member, *Clinical Trial Research Group*, Center for International Health & Development, Boston University School of Public Health, Boston (2005 ~ 2010).
11. Member delegate, Society for Research on Nicotine and Tobacco, USA (2004-2005)

#### ***Overseas (International)***

1. Clinical Associate Professor (Honourary), School of Public Health, Chinese University of Hong Kong, Hong Kong SAR (July 2007~).
2. Visiting Professor, James P Grant School of Public Health, BRAC University, Bangladesh (2011~)

3. International Advisor, Centre for Tobacco Control Research, Zhejiang University School of Medicine, PR China (2007~)
4. International Advisor, National Centre for Chronic Disease Control & Prevention, Chinese Center for Disease Control and Prevention (China CDC), Beijing, China (2013~)
5. Consultant and Member of the working group for “Smoking cessation service and research in the hospital authority hospitals”. Government of Hong Kong (May 2002~2005)
6. Member of the Advisory Council of AIDS (Task Force on Travellers), Government of Hong Kong (1999~2003)
7. Advisor (Training of Primary Medical Care Professionals), Society for AIDS Care, Hong Kong (1998~2003).
8. Research investigator, Medical screening program, Hong Kong Police Force, Hong Kong (1998-1999).

### **National or International consultancies**

- 2014 Lead International Consultant for Global Health Teaching & Research Development Program (USAID funded), BRAC Global Health Institute, James P Grant School of Public Health, BRAC University, Bangladesh (Feb –April, 2014)
- 2012- Center investigator, Julius B Richmond Center of Excellence, American Academy of Pediatrics (AAP), Addressing the Secondhand Smoke Exposure of Children
- 2011 Technical Advisor to the Directorate of Non Communicable Disease Prevention and Control, the Ministry of Health, the Kingdom of Saudi Arabia (Jan 15-April 15, 2011).
- 2010 Technical Advisor to the Deputy Health Minister to consult on the National Strategic Plan for the Preventive Medicine Directorate. Ministry of Health, the Kingdom of Saudi Arabia (July 13-23, 2010).
- 2008-‘10 Member, Medical Advisory Committee, Global Smoke-free Partnership Initiative on “Engaging cardiologists in preventing exposure to second hand smoke”. World Heart Federation, Geneva, Switzerland. (October 2009~June 2010)
- 2008 Member of the expert committee on the “Global Consultation on Effective Youth Tobacco Control Policy Interventions”. World Health Organization (WHO), Geneva, Switzerland, March 25-27, 2008.
- 2007-08 Consultancy with the Institute for Global Tobacco Control, Johns Hopkins Bloomberg School of Public Health (under the Bloomberg Global Initiative to Reduce Tobacco Use) to review tobacco use and smoking cessation practices among physicians in developing countries and in China.
- 2007~09 International consultant to work on two projects (one in China and one in Bangladesh) funded by the Bloomberg Initiative for Global Tobacco Use Reduction (commissioned by International Union Against Tuberculosis and Lung Disease)
- 2007 Consultant to Pfizer Inc. to help developing and reviewing the tobacco control curriculum for health professionals in different cities.
- 2006 Consultant to Pfizer Inc., as a member of the Smoking Cessation Working Group to develop strategies to promote smoking cessation worldwide.
- 2002 Consultant (Senior Technical Advisor) for the United Nations Development Program (UNDP) to China to assist China International Travel Healthcare Association in developing programs on HIV/AIDS prevention. (October 19~27)

2002 Technical Advisor for the Guangxi Centers for Disease Control to assist in the implementation of the China National HIV and TB control program in the Guangxi province. (April 1~8)

### **Editorial Board, Journal Review and Other credentials**

#### ***Editorial board***

*Associate Editor*, Tobacco Regulatory Science journal (ISSN 2333-9748) (2015- to date)

*Member* of the Editorial Board (ex), *Journal of Travel Medicine*, (published by Decker Periodicals, Hamilton, ON, Canada)- Peer reviewed official publication of the International Society of Travel Medicine and the Asia Pacific Travel Health Society (2001~2010)

#### ***Reviewer (Journal or Abstract)***

Preventing Chronic Disease (since 2008), New England Journal of Medicine (since 2007), Journal of Infection (since 2007), Nicotine & Tobacco Research (since 2006), British Medical Journal (since 2005), Clinical Infectious Disease (since 2004), Social Science and Medicine (since 2004), Addiction (since 2003), Tobacco Control (since 2003), Preventive Medicine (since 2003), Sexually Transmitted Disease (since 2003), Asia Pacific Journal of Public Health (since 2000), Journal of Epidemiology and Community Health (since 2001), AIDS (since 2002), Journal of Travel Medicine (since 1996).

#### ***Reviewer (Grant Proposal)***

- Member of the Review committee for “*Mobile Health Technology and outcomes in low and middle income countries*”, National Institute of Health (NIH) (since 6/2014)
- Member of the Review committee for “*Global Health Activities in Developing Countries to Combat Non-Communicable Chronic Cardiovascular and Pulmonary Diseases*”, National Institute of Health (NIH) (12/2008; 12/2009)
- Member of the *FIRCA Behavioral and Social Sciences Review Committee*, National Institute of Health (NIH) (2/2008 – 6/2013)
- The Wellcome Trust (United Kingdom) Grant proposal programs on *Public Health/Population Health* (2001-2009)
- External reviewer for grant application, *American Academy of Pediatrics Julius B. Richmond Center Awards/Grants programs* (2007~2012)
- Boston University School of Public Health Seed Grants Program for Junior Faculty members (2006-2009)

### **Professional societies: Memberships, Offices, and Committee assignments**

2004-todate	Member, American Public Health Association, USA
2004-todate	Member, Society for Research on Nicotine and Tobacco, USA
2006-todate	Member, Hong Kong Academy of Medicine, Hong Kong
1998-2005	Member, Hong Kong Medical Association, Hong Kong
1999-2003	Member, Advisory Council of AIDS (Task Force on Travellers), Government of Hong Kong
1998-2005	Member, Epidemiology and Public Health Research Group, University of Hong Kong
1995-2010	Member, International Society of Travel Medicine
1998-2012	Councilor, Asia Pacific Travel Health Society (APTHS)
1992-todate	Bangladesh Medical and Dental Council, Bangladesh

**Research supports (grants and contracts)**

	<b>Role</b>	<b>% effort</b>	<b>Title</b>	<b>Funding agency/amount</b>	<b>Project period</b>
1	PI	20%	Interventions to reducing secondhand smoke exposure among young children in rural China	National Natural Science Foundation of China (US\$100k)	2017-2021
2	PI	10%	Capacity Building in China for Using ICT in Global Health Research and Training (1R25TW009715-01A1)	Fogarty International Center, US NIH (US\$350k)	2015-2018
3	PI	10%	Engaging community health workers in combating chronic diseases in Asia: Strategies, approaches and practice	Asia Pacific Observatory (APO) on Health Systems and Policies, WHO (US\$95k)	2015-2017
4	Co-I (PI: Gaehede)	5%	Relational Agents to promote smoking cessation among the veterans: a pilot study	Veterans Affairs (VA) Boston Healthcare Service (US\$50k)	2015-2018
5	Consultant (PI: Li)	5%	Educational Intervention for Elderly with Mild Cognitive Impairment (MCI): a pilot study	Guangxi Science and Technology Fund	2015-2018
6	Co-I (PI: Fong)	5%	An evaluation of tobacco control policies in Bangladesh	IDRC (Canada) and Canadian Institutes for Health Research	2008-2018
7	PI	10%	Capacity building of pediatricians for enquiry on second hand smoke exposure among children in China	American Academy of Pediatrics (US\$400k)	2012-2017
8	Consultant (PI: Cummings)	5%	Evaluating Tobacco Control Policies in Low and Middle Income Countries (P01 CA138389-01)	NIH/NCI (US\$1.5million)	2009-2015
