## What do we offer in Academic Resource Center at Duke Kunshan University?

### Tutorial Service

Tutorial support offered to students is considered supplemental to the course instruction. Academic Success Tutors attend select courses across the curriculum and work in collaboration with instructors to best facilitate learning and student development. In addition to tutoring, professionals in the ARC help students through academic coaching to discover their personal academic success strategy, learning preferences, and study skills.

Courses for which tutorial service are offered in Fall 2018 include:

- Mathematical Foundation 1 & 2
- Introduction to Applied Statistical Methods
- The Art of Interpretation – Written Texts
- Introduction to Research Methods
- Integrated Sciences 1
- China in the World

### Academic Success Presentations & Workshops

ARC offers active and hands-on academic workshops to help students develop successful study habits and strategies.

Academic Workshops in Fall 2018 include:

- Academic Stress Management
- Academic Communication
- Exam Preparation
- Learning Preferences
- Let's Talk Math
- Motivation
- Study Skills
- Time Management

### Academic Coaching

Academic coaching is offered as a series of one-on-one sessions starting with guiding a student examine academic concerns and perceived barriers to success. We then help students work on various learning strategies so that they can improve their academic performance and enhance the overall quality of their collage lives.

### ARC Study Groups

ARC provides students with space and time to form self-directed study groups, Study Groups are assigned to an Academic Success Tutor for mentorship and guidance on the use of academic success strategies. Additionally, Academic Success Tutors teach students skills on facilitating group study. Student can reserve time in the ARC for group study.

### Academic Study Space

The ARC has two locations in the Conference Center (CC3002 & 4002). Students have access to this space 24/7 when the space is not scheduled for tutoring, workshops, coaching, and presentation. The total capacity between both spaces is 48 seats.

### First Friday at ARC

ARC holds a variety of activities on the first Friday of every session, including academic workshops, guest presentation, and relaxing social gatherings for students and faculty members.
